

UNDERSTANDING THE SCIENCE OF SOMADERM GEL™

There is quite the buzz being created about this unique product... Here is why!

THE INGREDIENTS

When it comes to sourcing ingredients you can obtain 3 different types of herbs

- 1) Raw
- 2) Ground
- 3) Extract

Raw ingredients are of the highest quality followed by ground and then extract.

At New U Life, founder Alex Goldstein, a savant in the compounding industry, is committed to using only the highest quality ingredients. Through our worldwide channel of ethical and reliable suppliers, we source only the highest quality raw ingredients to ensure that the 100% homeopathic final product is at the highest quality available. We also use a USP state-of-the-art water purifying system for all our non-GMO, gluten free, organic alcohol used.

Providing you with a FDA Registered, safe, affordable and effective alternative to other somatropin products available over the counter.

This product is matched by no other and has ZERO side-effects or complaints.

COMBINING HOMEOPATHIC & BOTANICAL SCIENCES HAS

BENEFITS

Homeopathy is a science that has been used for over 200 years to heal the body naturally.

Botanical science is the use of plants for the purpose of healing the body.

SOMADERM GEL™
uses these combined sciences very uniquely!

By providing the body with homeopathic Somatropin, Thyroidinum, and Glandula Suprarenalis as well as the various botanical ingredients like aloe leaf, green tea leaf, licorice root, chaste tree fruit, ginkgo leaf, velvet bean seed, and wild yam root. This amazing gel provides the body with the tools it needs to begin the revitalization process. Actually giving the body the ability to look and feel younger!

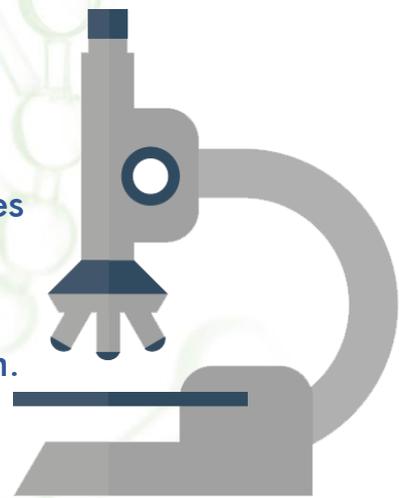

LEAVING THE INDUSTRY LEADERS BLOWN AWAY WITH THIS UNIQUE FORMULA

Alex Goldstein's knowledge and unique approach to compounding and layering his formulas leaves many industry leaders with awe and amazement.

Many said that he couldn't accomplish what he has in the development of this product.

The ability to use this transdermal product makes receiving benefits as efficiently as possible.

No more wasted product in the digestive system.
No more spiking hormone levels.

**Just the best, most effective, and affordable
Somatropin therapy available without a prescription!**

PRODUCT TESTING & QUALITY CONTROLS

At New U Life, we are committed to the highest quality product output.

A quarantine of all inbound raw materials is mandatory until the quality and identity of those raw materials are verified. During the manufacturing process, all water used undergoes microbiological testing in accordance with USP regulations. An extensive series of product testing is performed before the product is released. Ensuring the highest consistency and quality of product to the consumer.
